2009 National Radical Queer/Trans Convergence

Chicago

May 28 - 31, 2009

Bash Back! is ecstatic to invite all radical queers to join us for a weekend of debauchery and mischief. The last weekend of May will prove to be four solid days of workshops, discussions, performances, games, dancing and street action!

We'll handle the food and the housing. You all bring the sex, riot, and decadence!

We're looking for folks to facilitate discussions, put on workshops, organize caucuses, share games, tell stories, get heavy in some theory, or bottom-line a dance party. More specifically we're looking for workshops themed around queer and trans liberation, anti-racism, confronting patriarchy, sex work, ableism, self defense, DIY mental and sexual health, radical history, pornography, or queer theory. We are also looking for copious amounts of glitter, safer sex products, zines, home-made sex toys, balaclavas, pink and black flags, sequins, bondage gear, rad porn, flowers, strap-ons, and assorted dumpstered goodies. You down?
